BLUE HARBOUR BLENDED WHISKY

Sail away with us on a voyage of revelation and discovery. Inspired by the timeless sail boats and shimmering waters of The Blue Harbour, we are so proud of our Blue Harbour Blue Vodka, the first luxury vodka from Australia.

We create it with uncompromising quality, outstanding natural ingredients and our signature innovative design.

Our BH Blended Whisky is distilled from Australian malted barley, spring water and aged in oak casks.

BH Whisky is an ultra-soft sipping whisky better drunk neat or with a splash of water.

40% Alc. by Vol. - 80 Proof.
